HAYMARKET, Va., April 2, 2018 — HyQuest Consulting is renewing its commitment to give back to local communities through its newly established HyQuestHOPE program. The company has a history of helping those in need, particularly through initiatives that support educational opportunities. HyQuestHOPE will be the nucleus of its ongoing corporate giving activities.

President and CEO Jameece Pinckney noted, “As HyQuest continues to grow, we will increase the level and scope of our philanthropic support. We are committed to making real contributions, both large and small, in the communities where we live and work. I know from personal experience the satisfaction that comes from helping others and want to ensure that the essence of the HyQuestHOPE program becomes part of our corporate DNA.”
