**FOR IMMEDIATE RELEASE**

## **HYQUEST RECEIVES GSA MULTIPLE AWARD SCHEDULE CONTRACT**

**Haymarket, VA**, August 6, 2018 — HyQuest Consulting Solutions, LLC, a provider of mission support and advisory services, today announced that it has been awarded the General Services Administration (GSA) 00CORP Professional Services Schedule (PSS), an indefinite delivery/indefinite quantity (ID/IQ) multiple award schedule contract. The contract, effective July 23, 2018, is for a period of five years, with the potential for three future five-year options.

“We’re very excited to be a GSA Schedule Contract holder,” said HyQuest President and CEO Jameece Pinckney. “The streamlined ordering offered through the GSA Schedule will allow government customers to easily procure our services. We are pleased to have this opportunity to broaden our federal market customer base as a preferred source for government buyers and are enthusiastic about the value we can offer them.”

The contract award was the result of an in-depth process in which the GSA evaluated HyQuest’s professional capabilities, organizational structure, past performance, customer satisfaction, and other applicable criteria.

HyQuest Consulting Solutions, LLC is listed under the GSA PSS under contract number 47QRAA18D00CP and offers acquisition management support services (SIN 874-6).

### **About HyQuest Consulting Solutions, LLC**

HyQuest delivers mission support services, specializing in acquisition and contract management for government and commercial customers. We make our customer’s vision our mission. We focus on providing a full range of high-quality solutions, from business and management consulting, to program management support, staff augmentation, compliance, and risk management. HyQuest achieves measurable, meaningful results by strategically addressing diverse requirements that lead to forward-thinking solutions. We build customer intimacy for long-term partnerships and offer agencies and industry partners a comprehensive suite of services and outcome-based experience.
