

## **JAVA-PHP WEB DEVELOPER**

**TERM OF CONTRACT:** One (1) year – renewable

**SECURITY CLEARANCE:** Ability to obtain a public trust security clearance

We are seeking a dynamic and experienced Java-PHP Web developer looking to grow with a small business. The Java-PHP Web developer will perform a variety of Web application and framework development (i.e., Drupal, Java, JavaScript, PHP) activities in an AWS cloud environment.

### **SKILLS**

- Development of Web applications and frameworks (i.e., Drupal, Java, JavaScript, PHP) in an AWS cloud environment.
- Working knowledge of technology to support safe, secure operations.
- Familiarity with deploying code in an Apache Web server environment.
- Ability to research, analyze, prioritize, problem solve, and work on several tasks concurrently, with minimal supervision.
- Ability to work in a dynamic and challenging team environment.
- Ability to take ownership of assigned tasks.
- Strong communication skills.

### **EXPERIENCE**

- University degree (BA/BS) or equivalent experience.
- Approximately 6-plus years of experience.
- Understanding of enterprise-level Web-based presentation framework (i.e., Drupal, PHP, Java, jQuery, HTML, CSS, JavaScript).
- Expertise in relational databases, to include complex queries, schema design, and modification (i.e., Oracle, MySQL).
- Familiarity with Model/View/Controller (MVC) architecture.
- Proficient in working and developing in a Linux environment.
- Knowledge of headless content management system
- Knowledge of Cloud and Azure bots is preferred.

### **LOCATION**

Temporarily remote during COVID situation.

## **PHYSICAL REQUIREMENTS**

The physical requirements are representative of those an employee encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

**The above job description is not intended to be an all-inclusive list of duties and standards of the position. Other instructions and related duties may be assigned by the employee's manager.**
