FOR IMMEDIATE RELEASE

HYQUEST CONSULTING AWARDED TASK ORDER BY U.S. ARMY

HyQuest to Support U.S. Army Corps of Engineers

GAINESVILLE, Va., November 30, 2020 — HyQuest Consulting Solutions, LLC, announced today that it has been awarded a task order by the U.S. Army Corps of Engineers (USACE) to deliver contract specialist support services to the USACE-Tulsa District in Tulsa, Oklahoma. The task order was awarded under the U.S. General Services Administration’s Professional Services Schedule.

HyQuest will provide a full range of support services, including acquisition strategy and planning, acquisition and life cycle management, documentation preparation and records review, pre-/post-award contract and grant closeout, and contract advisory and assistance services.

HyQuest President and CEO Jameece Pinckney said, “We are honored to support USACE-Tulsa in its mission to supply engineering, scientific, and construction management expertise for programs spanning the civil works, military construction, and environmental protection arenas.”

About HyQuest Consulting Solutions, LLC

HyQuest specializes in delivering acquisition support and advisory services for government and commercial customers. We make our customer’s vision our mission. We focus on providing a full range of high-quality solutions, from program management and technical services, to information technology solutions, to artificial intelligence. HyQuest achieves measurable, meaningful results by strategically addressing diverse requirements that lead to forward-thinking solutions. We build customer intimacy for long-term partnerships and offer agencies and industry partners a comprehensive suite of services and outcome-based experience.
